

## **Staging Your Home for Sale Awarded Best of Houzz 2020**

*The Annual People's Choice Award from the Houzz Community Highlights Home Renovation and Design Professionals with Most Popular Designs and Top Ratings*

**Staging Your Home for Sale** has won a "Best Of Houzz" award for **Customer Service** on [Houzz®](#), the leading platform for home renovation and design.

This 18-month-old Home Staging & Interior Styling business, specialising in presenting homes to market, has been selected by the homeowners that comprise the Houzz community from among more than 2.5 million active home building, renovation and design industry professionals.

The Best of Houzz badge is awarded annually, in three categories: Design, Customer Service and Photography. Design awards honour professionals whose work was the most popular among the Houzz community. Customer Service honours are based on several factors, including a pro's overall rating on Houzz and client reviews submitted in 2019. Architecture and interior design photographers whose images were most popular are recognised with the Photography award.

A "Best of Houzz 2020" badge will appear on winners' profiles as a sign of their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.

**Staging Your Home for Sale's founder Sarah Evers is incredibly grateful for this acknowledgment of her fledgling company**, "I believe it is my personal service & bespoke offering tailored to each individual homeowner's requirements that has earned such good customer experiences & reviews to date, I try to treat each home as if it is my own & I get very personally invested in every detail". "I love meeting new clients & helping them to understand the importance of preparing their home inside & out, achieving an excellent online presence, driving the best sale for the best price in the shortest time. I love planning how I will stage their home, what furniture & wall art I will select to dress that home from my existing inventory or sourcing pieces perfect for their home. I love all styles of furniture, vintage to contemporary. My very favourite part is the completed project & the transformation into a show home with market appeal".

"This year's Best of Houzz awards go to an incredibly talented and service-oriented group of home renovation and design professionals, and we're proud to highlight the winners on the Houzz website and app," said Inés Cid, Managing Director for Houzz UK. "This award is particularly meaningful as it reflects the sentiment of the millions of homeowners in the Houzz community who are hiring home professionals for their projects across the UK and around the world."
