

Staging Your Home for Sale, Dublin Awarded Best Of Houzz 2021

Coveted annual award highlights home renovation and design professionals with top ratings and most popular designs among the Houzz community

Staging Your Home for Sale based in Naul, North County Dublin has won a “Best Of Houzz” award for **Customer Service** on [Houzz®](#), the leading platform for home renovation and design. This relatively new Home Staging & Interior Styling business founded by female Entrepreneur Sarah Evers, was chosen by the millions of homeowners that comprise the Houzz community from among more than 2.5 million active home building, renovation and design industry professionals.

The Best Of Houzz badge is awarded annually, in three categories: Design, Customer Service and Photography. Design awards honour professionals whose work was the most popular among the Houzz community. Customer Service honours are based on several factors, including a pro's overall rating on Houzz and client reviews submitted in 2020. Architecture and interior design photographers whose images were most popular are recognised with the Photography award.

A “Best Of Houzz 2021” badge will appear on winners’ profiles as a sign of their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every region on Houzz.

“I am so grateful for and appreciative of this significant Award, I plan to continue to provide an excellent Customer centric service, supporting Homeowners to sell their homes more quickly and for more money, by presenting their homes beautifully to market. Online presence has never been more important, #StagedHomesSellFaster

“The Best Of Houzz awards are an emblem of trust and credibility for home professionals across the UK and around the world, and we are excited to celebrate this year’s winners,” said Liza Hausman, vice president of Industry Marketing for Houzz. “The COVID-19 pandemic has highlighted the critical need for people to feel comfortable before inviting pros into and around their homes, and the Best Of Houzz badge is a powerful way for pros to communicate the trust that homeowners have in their business. It’s just one of many tools on the Houzz platform that help pros to communicate their unique expertise, and homeowners to find the right professionals for their projects.”
